### Happy St. Patrick's Day!

Whether you're young or young at heart, no legend lives as strongly as the pot of gold at the end of the rainbow. Perhaps it's better suited as a metaphor for life. No matter what trials or hardships come our way, somehow there's "gold" at the end of the storm, if not at least a silver lining. That's what keeps us going! That is what we celebrate this March 17th. Not how many green beers you can down, or how many Shamrock Shakes you can ingest, but to celebrate conversion; as we see in the dead of Winter, to new life in Springtime. Don the green apparel and bring the family together to travel downtown to Superior Ave. for Cleveland's St Patrick's Day Parade. This is a great opportunity to get out of the house shake off them winter blues and get into the spring spirit.

### Auburn Cord Duesenberg Automobile Museum

There is still time to sign up for our first trip of the year to the Auburn Cord Duesenberg Museum. We are departing Humenik Funeral Chapel Thursday March 19th at 8:00 AM. Please arrive by 7:30-7:45 and be sure to park on the CVS side of the building. We are expecting to return to Humenik Funeral chapel at 8:00 PM. The total cost for this trip is only \$110.00. You don't want to miss this trip!

### Don't abbreviate 2020

Some of you may have heard the warnings at the beginning of the year others may not. This year it is crucial when signing any official documents make sure to write the full date 2020. If the year is abbreviated as 20 someone can alter your signed documents. This is good practice for all documents but very important for any legal or professional documents. An example if you sign a credit contract and sign and date it 2/5/20. No due to unforeseen circumstances lets say you miss 3 months of payments. There is nothing stopping that lender from adding 18 or 19 after that 20 and arguing that you have missed years of payments not 3 months. This is also important when writing a check. Dating a check 08/13/20 could easily be altered to say 08/13/2021 and your once stale check is now a valid check once again. There is no hard evidence that anyone will do this but don't take the chance. Remember to always write the full date when signing any documents.

Throughout the show hidden clues will be revealed to help you determine which suspect is guilty and who are there to fool you. Detectives will be on scene to help everyone try to crack the case. Will you solve the murder? There is an incentive to be the top sleuth in this case. A PRIZE PACKAGE is awaiting the Top Sleuth who provides the best answer before the killer is unmasked!

## Think Spring!

The first day of Spring is March 19th! Hopefully soon, we'll be leaving our coats at home and enjoying the season of new life, Spring. Punxsutawney Phil has given his prediction for an early spring. Phil's forecast for an early spring seems fitting considering the lack of winter weather. Data from the Stormfax Almanac's data shows that Phil's six-week predictions have been correct about 39 percent of the time. Lets hope that this year Phil is right, so we can open the windows and let the winter blues out and the fresh spring air in. Before you know it, baseball will be back in full swing too. Trees, more famous for their Fall colors, yield a beautiful array of bright, blossoming color in early Spring which only lasts a short time. Look for upcoming trips in our next newsletter. We are working to take as many new trips this year as we can. Do you have a suggestion for a trip? Don't forget trip suggestions can be submitted at any time.

## Upcoming Community Event

Looking ahead we will once again be Honoring those who serve and have served with the Brook Park Memorial Day Parade. Come join us at the American Legion Post 610 Brook Park Memorial Day Parade on Monday May 25th. The parade will run from Brookgate Shopping Center between Hummel Rd. and Snow Rd. From there it will head south on Smith Road to Sylvania, turning right to head west on Sylvania, the Parade will end at Kennedy Park. Remember to get your American flags ready; to wave in the wind as we honor those who have made the ultimate sacrifice for our freedom. The day arose because of the Civil War. Back in 1868, this was originally called 'Decoration Day'. After World War 1 it became a day to remember all those who died serving their country. Now we celebrate the start of this day with a local parade. A chance to visit with your friends and neighbors. Can't make it outside? Not a problem. The federal parades and ceremonies are usually televised. In the morning, the flag is briskly raised to the top of the pole, then solemnly lowered to half mast. At noon, living service member raise the flag in order to never forgot those before them.
