March– April 2021

Happy St. Patrick's Day from our family to yours. Make 2021 your pot of gold at the end of the rainbow; we have weathered the storm and now it is time to soak up the sun. No matter what struggles we face in life there is always a silver lining. St Patrick's Day is a great time to stop thinking about the dreadful winter blues and turn to the bright and cheerful colors of spring. With St. Patrick's Day around the corner, it is a good time to stock up on corned beef and green beer for a safer celebration this year. The annual Cleveland St. Patrick's Day parade may be canceled but that doesn't mean you can't cook up a feast and enjoy quality time with family. We want to wish everyone a safe and joyful St Patrick's Day. May your troubles be less and your blessings be more, and nothing but happiness come through your door!

HAPPY EASTER

Easter is Sunday, April 4, 2021! Did you know that the reason the date of Easter Sunday changes because it is based on the lunar cycle? Easter occurs after the first full moon of spring. This year the first full moon is on Sunday, March 28, 2021, so Easter is celebrated the following Sunday. Looking for a fun afternoon with the children or grandchildren? Put on those aprons and grab those hard-boiled eggs, it's time to dye Easter eggs. Want to make treats for the family? These Rice Krispies Treat birds nests are adorable! Using the Rice Krispies™ Treats recipe, simply press the mixture into the cups of a muffin tin lined with colorful paper baking cups, to create the "nest." Once they have cooled, add a few jelly bean "eggs" and enjoy! There are many ways to spread holiday cheer. How will you and your family celebrate this year? We hope you have a Happy and SAFE Easter!

Memorial Day

Memorial Day is Monday, May 31, 2021. Looking ahead the future of the Annual Brook Park Memorial is still unclear. The goal is to keep everyone safe so the city along with the American Legion Post 610 will be monitoring the situation to make the final call if the parade will be taking place this year. Keep a lookout in our future newsletter for updated information about the parade.

Support Your Local Businesses

We understand when a loved one or a dear friend passes away you want to extend your condolences to the family and may even opt to send them a sympathy floral arrangement. The best way to ensure the timely delivery of the floral arrangement is to call any of your local floral shops or even shop their websites. We have 2 great partners here locally who are very happy to help with your floral request. Sunshine Flowers (440) 884-4550 and Filer's Florist (440) 884-4700.

Pre – Planning At Your Fingertips

With our online planning questionnaire, you are able to provide us with the statistical information that is needed at the time of passing. This is a great way to get the ball rolling if you may not be ready to sit down and talk about detailed arrangements. If you are ready to meet with one of our funeral directors now is a perfect time. Did you know that you can make payments on your preneed funeral? Using LCBA (Loyal Christian Benefit Association) Futura Insurance plan which is a specially designed life insurance plan for funding funeral pre-arrangements offers you the option of a single premium or up to 10 years to pay. Another partner is the OFDA (Ohio Funeral Directors Association), Master Trust Fund. Do you have a preneed funeral with a different funeral home? The preneed funeral trust, annuity or life insurance product is **100% transferable**. If you move out of state or for any reason want to transfer your preneed funeral to Humenik Funeral Chapel, you have that right to do so. That's why there is no wrong time to talk about preplanning. Sharing stories with those who matter most isn't just important today; it will be especially significant when it's time to commemorate a life. These discussions can help families make important decisions about how they wish to remember and honor the lives of their loved ones. Through meaningful memorialization — that is, taking time to reflect on the unique life of a loved one and remember the difference they made — families and friends take an important step in the journey toward healing after death.

Daylight Savings Time

It's that time of the year again! Sunday, March 14, 2021, it's time to spring those clocks forward 1 hour. Don't forget every time we change those clocks it is good practice to change the smoke detector batteries. Please keep yourself and your loved ones healthy and safe as we move forward this spring!

Staying Safe

Here at Humenik Funeral Chapel, we are watching the updates from Governor DeWine daily. We are doing everything we can to keep you and your family healthy and safe while you are at our facility. We are sanitizing highly touched surfaces regularly. For your health and safety, our community room is still closed to avoid large social gatherings without the use of masks. With the curfew lifted and the push for vaccines, we are eager to continue serving our families to our full capability. We will keep the public posted as more information is released to us on what can and cannot take place during funerals and celebration of life events. In the meantime please remember when going out masks up covering the nose and mouth helps keeps you and those around you safe.
